The NEW Z Tags Multi-Cutter

Product Description

Removing livestock tags is safer and easier than ever before with the new Z Tags Multi-Cutter. The dual razor blade design allows for quick and easy removal of tags, twine, latex bands and other material with twice the power of a single bladed knife. Features such as a finger guard to protect against accidental cuts, a curved opening to guide the cutting item to the blade, and a large hilt to prevent your hand from slipping, make this the safest multi-cutter yet.
.

Technical Specifications

Item Code	700 2401-174
Product Dimensions	226 x 64 x 5 mm (8 ⅞” x 2 ½” x ¼”)
Packaged Product Dimensions	320 x 65 x 5 mm (12 ⅝” x 2 ½” x ¼”)
Product Weight	21 g (0.05 lb.)
Barcode	846353031342
